The Couple Prayer Series

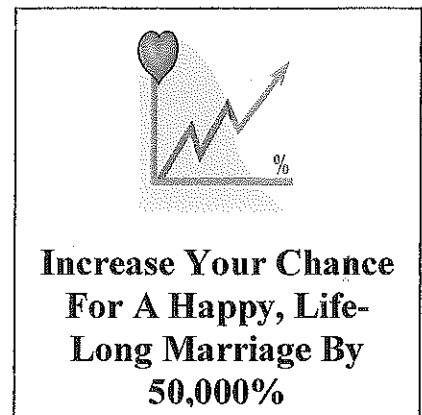

The Together with Jesus Couple Prayer Series for engaged or married couples is a six-week, one-evening-per-week experience in shared faith developed and offered with three significant facts in mind.

1) The projected divorce rate for U.S. married couples is roughly 1 divorce in every 2 marriages.

2) 2002 nation-wide research showed that married couples who attend church together weekly have a divorce rate of just 1 divorce in every 6 marriages.

3) A 1980 nation-wide study showed that married couples who attend church together weekly and who also pray together daily experience a divorce rate of just 1 divorce in every 1,105 marriages. This means that couples who attend church together weekly and who also pray together daily have a 50,000 % higher chance to enjoy a happy, life-long marriage than the average couple in our nation today, including Christian couples. (Divorce projections for Christian couples married today stand at 48-52%, varying slightly by denomination).

At The Couple Prayer Series, (www.coupleprayer.com) you'll hear more about the compelling case for daily Couple Prayer and experience first-hand how you, too, can safely and peacefully share Couple Prayer with your spouse in ways that will dramatically enhance your faith, your marriage, and the well-being of your family.
